VI. INFORMATIONAL ITEMS:

A. Alpine coaches that submit late or incorrect race entries during the regular season and post season will be responsible for a fine (1st - \$20, 2nd – \$40, 3rd - \$60). This fine must be paid prior to participating at the State Championships.

B. CHSAA allows the use of single pole GS gates as this aligns with USSA and FIS rules.

- C. In Alpine, DQ's will be listed after both genders have completed their 1st run of the day. Once posted, coaches will have 15 minutes to protest.
- D. Helmets designed and manufactured for the particular discipline of ski racing being contested are required for all competitors and forerunners in all events and official training. Telemark skiers who are racing must comply with the hard sided helmet rule.
- E. Bibs are the responsibility of the participant. If an individual shows up to a race without their bib, they will not be able to participate. If the bib is completely lost, it's up to the school to obtain a permanent replacement for this individual.
- F. If you do not start in the first run (DNS), you do not get a second run. During regular season only, if you were a DQ or DNF, you will be allowed a second run. If you were ejected based on unsportsmanlike behavior during the first run, you will not be allowed a second run, and based on CHSAA Ejection Policies, you will not be allowed to ski at the next race.
- G. (Regular Season & State) If an Alpine skier loses a ski during a run, they are allowed to hike back to the ski, put it on, and finish the race in order to earn team points. The skier must not interfere with another racer and they must not be passed.
- H. Alpine races must be set to regulation specifications and courses set separately for each gender for regular season and state championships.
- I. Modifications were made to the league schedule to eliminate as much travel and lost school times as possible.
- J. The CHSAA Fall League Meeting will be the first Friday in October at Summit High School. This will be used to finalize the regular season schedule and logistics.
